

Checking Account Comparison

	Account A	Account B	Account C
Is the account insured?			
Does the checking account earn interest? NOTE: Unless you're sure you'll have enough to keep the required balance in an interest-bearing account, the fees will probably hurt you more than the interest will help you.			
Is there a minimum balance requirement?			
What is the minimum balance?			
What is the fee for falling below the minimum balance?			
What fees are charged for:			
ATM use?			
Balance inquiries?			
Stop payments?			
Bounced checks?			
Check printing?			
Seeing a live teller?			
Each check I write?			
Overdraft protection?			
Flat monthly fees?			
Canceled check return?			
Closing an account?			
Other services?
